

CERTIFIED AGILE LEADER® 1 (CAL 1)

Description

This course is for anyone who wants to impact an organisation's journey to resiliency and success. In today's fast-paced business environment, the Certified Agile Leader® 1 certification empowers you to build a resilient, innovative, and high-performing organisation. You'll drive better ROI, mitigate risks, and stay ahead of the competition.

What about exams and certifications?

There are no exams for this course, although you will be expected to attend the full programme. Upon completing the programme, you will receive a **Certified Agile Leader® 1** certification from the Scrum Alliance - the leading agile certification body.

What are the prerequisites for this course?

No specific prerequisites are required, making it accessible to anyone interested in learning about agile scaling, regardless of their previous experience with agile practices.

Who is this course suitable for?

This course is suitable for anyone wishing to enhance their leadership skills, whether they are already in a leadership role or simply want to get prepared for the future.

This course typically attracts:

- Leaders
- Managers
- Senior directors
- C-suite executives
- Coaches and consultants
- Scrum master

Why this course?

- Expand your leadership skills and shift how you think about leadership
- Learn how to create an environment that unleashes the human potential locked in your organisational
- Become a Scrum Alliance Certified Agile Leader® 1

What you'll learn

In this three-day course, you will learn to lead agile teams and organisations by embracing agile leadership concepts and leveraging agility to drive sustainable improvement in any business.

You can expect to learn:

- What makes an agile leader agile
- Why agile leadership matters and when it matters most
- How to lead change management and transformation
- Agile principles applied to any business context
- Frameworks and tools for growing as a leader
- Leadership models to grow as a leader
- Tools for fostering growth in your team members
- How to build high-performing, cross-functional teams
- How to increase the effectiveness and agility of teams and organisations
- Why and how organisational culture impacts team effectiveness

This training will challenge and grow your perspective on organisational culture, employees, and what it means to be a leader.

- **Highly respected Scrum Trainers® and Coaches** with decades of experience delivering high-quality Scrum training and implementing and coaching Scrum in the real world – **5/5 star rating (from Google Reviews)**

Meet the Trainer

EBEN HALFORD

Eben began his career in the 90s, building websites and some of the first web apps. After a stint as a strategy consultant for advertising agencies in the early noughties, he went on to lead technology teams across a number of industries before leaving to become a consultant. Eben works with organisations to become more complexity-conscious and people-positive. As a qualified coach and Certified Scrum Alliance Trainer® with a focus on modern management theory and techniques, Eben works with leadership teams to develop deeper leadership skills whilst creating the conditions for agility to flourish. As a fellow of the Royal Society of the Arts, he engages with a broad set of government and industry bodies on organisational design and the future of work.
